

LUCORUM

It's a talking, drinking forum
I refer to the great Lucorum
where you conduct yourself with decorum
because it's The Best Bar None

Its qualities, you can't ignore 'em
as you enter the great Lucorum
its good points, we had to score 'em
because it's The Best Bar None

Barnsley's changing day by day
Lucorum's the first one out of the trap
and it represents change, I have to say
a day-glo neb on the old flat cap

If you drink, it knows how to pour 'em
all day long in the great Lucorum
so let's raise our glasses and clink 'em
because it's The Best Bar None
